- Enriched with essential nutrients
- Rich in antioxidants
- Boosts metabolism and immune functions

# Organic Spirulina

**Suggested Usage:**  
Two tablets twice daily after meals or as directed by physician.

Sami Direct's Organic Spirulina contains Spirulina, a natural source of vitamins, minerals, antioxidants and other nutrients, in combination with BioPerine<sup>®</sup>\*, a patented bioavailability enhancer, derived from black pepper that enhances their uptake and utilization.

Spirulina is a microscopic, blue-green algal culture (a free floating filamentous cyanobacterium) that supports optimal health and wellness due to high concentration of essential nutrients. Spirulina is produced primarily from two species of cyanobacteria: *Arthrospira platensis* and *Arthrospira maxima*.

Spirulina is a rich source of vegetable proteins, iron, pro-vitamin A carotenoids, vitamin B1 (thiamine), B2 (riboflavin), B3 (niacin), B6 (pyridoxine), B12 (cobalamin), vitamin C, vitamin D, vitamin E, folate, vitamin K, biotin, pantothenic acid,  $\beta$ -carotene (source of vitamin A), inositol, essential amino acids and the rare essential fatty acid,  $\gamma$ -linolenic acid (GLA).

**Supported by numerous of studies, Spirulina has multi-faceted benefits, such as antioxidant activity, improved metabolism and immune functions.**

#### Each Tablet Contains:

Ingredient	Quantity per Tablet
Spirulina ( <i>Arthrospira platensis</i> ) powder	400 mg
BioPerine <sup>®</sup> * ( <i>Piper nigrum</i> fruit Extract)	2.5 mg
